

STRUCTURE OF PACCOA

PACCOA is registered within the State of New South Wales as an Incorporated Association. Its routine affairs are managed by an Executive Committee which consists of one delegate drawn from members in each participating jurisdiction. In those jurisdictions which have associations affiliated with PACCOA, (currently New South Wales and Queens land), those associations nominate the delegate to PACCOA.

In the other jurisdictions, financial members elect their own delegate to the Executive. Office bearers are the President, Vice President, Secretary and Treasurer and the life of the Executive is from Annual General Meeting to Annual General Meeting.
